

“WHO PUSHED HUMPTY DUMPTY?”

Audition Form and Contract

Actor/Actress Name: _____ Grade _____

Student email: _____ Student phone: _____

Parent’s Name: _____

Parent’s email: _____

Parent’s phone number: _____

Conflicts on Monday, Tuesday and Thursdays: Rehearsals will be Mondays and Thursday 2:30-4:30 and Tuesdays 2:30-4:15

Past theater experience: _____

Allergies: _____

Permission to photograph and use images of your child: please sign below

Signature: _____

Anything else you think I need to know about your actor/actress:

Contract: Please sign after agreeing to all requirements:

Place a check mark after reading each requirement.

- **Rehearsals are NOT optional.** Mrs. O'Neill must be notified as soon as possible if I will not be at rehearsal. I will also be on time for rehearsal. Rehearsals will start at 2:30 but Mrs. O'Neill will be there at 2 for questions and to help with costumes. School comes first, so if I need extra help from a teacher I will see the teacher before rehearsal. I can also participate in any clubs after school that get out by 2:30. Unfortunately, if I wish to do an after school sport that conflicts with the rehearsals, I will have to make the choice to do the show or do the sport. I will choose to do what makes me happiest.
- I want to be in the show, therefore, I will follow all rules and directions given by any adult working on the show. I must stay in the cafeteria during rehearsals. There is no wandering the halls after school. I will not go into the costume room or touch anything in that room or the band room without permission. **Three strikes and I'm out of the show.**
- I will be respectful to fellow cast members and anyone helping with the show.
- I will leave the cafeteria as I found it and throw out any unneeded items.
- I will keep quiet while other actors are working on a scene. If I am not in a scene being worked on I can do my homework or study my scenes, but I will keep quiet.
- I will only use **light pencil** marks in the script I have been given and will return it at the end of the show. If I lose or damage my script I will be required to pay **\$10.25** for it.
- I will print out a copy of the rehearsal schedule so I know when I am needed at rehearsal.
- I will not let my phone be a distraction during rehearsal.

Student signature: _____

Also, for the parents:

- My family and I will help with the production and fill out the sign up genius when it is sent out volunteering to help. I will also bring baked goods for concessions sales.
- I will order a t-shirt and/or DVD, if I wish to, and I will pay no later than April 11. **Checks payable to FABL in an envelope with the form with the actors name on it!**
- I will pick up my child at 4:30 on Mondays and Thursdays and 4:15 on Tuesdays unless otherwise noted. Car pools can be arranged.

Parent signature: _____

I will also need help with costumes, set building, painting, gathering props, chaperones and make up help at dress rehearsals and shows. Please list any you can help with in the space below!

Thanks!

Tracey O'Neill, Director

“Who Pushed Humpty Dumpty”

The play is NOT a club! If an actor/actress misses 3 rehearsals without a valid reason (sick, dr. apt, family emergency) his/her part will be recast. The schedule and all important information will be posted on the Facebook page, www.littletonmiddleschooldrama.com and in emails from myself and well as Mrs. Temple’s Weekend Update when needed. Students will not have to be at every rehearsal. Specific characters will be listed on the schedule. Schedule subject to change due to weather or unforeseen circumstances. Please print out a copy and check each week. If changes are made, I will send out an email and there will be a post on Facebook as well.

Please make sure your child wants to be here.

Students must be respectful to all others in the cast and all involved with working on the show.

Reminder rehearsal days are Monday and Thursday 2:30-4:30 and Tuesdays 2:30-4:15. Please send drinks and snacks with your child for after school.

During tech week, which is the week of the show, rehearsals will be Monday from 2-5. Wednesday with costumes from 2-5 and Thursday with costumes and make up 2-5:30. These rehearsals CAN NOT be missed. Tuesday is dark night which means they should rest up. I will need extra parent help that week which will be on the sign up genius.

T-shirt and DVD orders will be due before April vacation. T-shirts are \$15 and DVD copies of the show are \$20. Please make checks payable to FABL. Due no later than April 11.

Besides putting on a great show, my top priority is for all the kids to have fun! If your child is involved in a school sport that conflicts with the show, he/she will need to make a choice as to what makes them the happiest. Just like a practice for a team sport, it is important for you to be there. If you don’t practice you can’t play. Same goes for a play, you’re not there to rehearse, you can’t play your part successfully. Please check the rehearsal schedule to see if this works for you and your child. I will start rehearsals at 2:30 so kids can still get after school help or do clubs. **School comes first.** I will be at the school by 2 pm on rehearsal days to work on costumes, help kids with lines or answer questions they may have about the show. We can set up in a corner of the cafeteria to do our jobs and complete homework. I may have some art work that I will have kids work on during this time as well and I hope to work with Mrs. Winter’s to complete some of these as well as the mural club.

I’m very excited to direct my very first show with your child! This is a team effort and even if your child has little or no lines they are important to the success of the show. The Three Little Pigs only have one line but are in most of the show. Their actions speak louder than their words. They are a bit of comic relief. I chose a show with lots of parts! Being one in a crowd scene such as one of the old woman who lives in a shoe’s children or the scene at the Bow Wow club is important to the show! Everyone who is cast is important to the director!
