Please return this form no later than Thursday, Feb. 13 so we can started gathering costumes during February break.

I may also ask you to bring in clothes from home as many things for this show are just everyday clothes like jeans and t-shirts. We need sizes for other costumes that you might not have lying around and if you have trouble finding something for us at home, we will have the sizes already. You will get all clothing back just put your name on the inside where the label is if we ask you to bring in something.

Thanks,

Mrs. O'Neill
