Mrs. O'Neill- contact info: email: [Imsdrama@littletonps.org](mailto:Imsdrama@littletonps.org)

**Contract: Please sign after agreeing to all requirements:**

**Place a check mark after reading each requirement.**

- Rehearsals are NOT optional. Mrs. O'Neill must be notified as soon as possible if I will not be at rehearsal. I will also be on time for rehearsal. Rehearsals will start at 3:05 but Mrs. O'Neill will be there at 2:20 for questions and to help with costumes, etc. School comes first, so if I need extra help from a teacher I will see the teacher before rehearsal. I can also participate in any clubs after school that get out by 3:05. Unfortunately, if I wish to do an after school sport that conflicts with the rehearsals, I will have to make the choice to do the show or do the sport. I will choose to do what makes me happiest.
- I want to be in the show, therefore, I will follow all rules and directions given by any adult working on the show. I must stay in the cafeteria during rehearsals. There is no wandering the halls after school. I will not go into the costume room or touch anything in that room or the band room without permission. Three strikes and I'm out of the show.
- I will be respectful to fellow cast members and anyone helping with the show.
- I will leave the library/cafeteria/classroom as I found it and throw out any unneeded items.
- I will keep quiet while other actors are working on a scene. If I am not in a scene being worked on I can do my homework or study my scenes, but I will keep quiet.

- I will print out a copy of the rehearsal schedule so I know when I am needed at rehearsal. You will not be needed at all rehearsals but are welcome to attend as long as you are not disturbing those rehearsing scenes.
- I will not let my phone be a distraction during rehearsal. Phones will need to be put away during rehearsal. Mrs. O'Neill will give breaks so you can check in case there is a change in pick up routine.

Also, for the families:

- My family and I will help with the production and fill out the sign up genius when it is sent out volunteering to help. I will also bring baked goods for concessions sales.
- I will pick up my child at 4:30 on rehearsal day unless otherwise noted. Car pools can be arranged. If you are running late/stuck in traffic, text my cell at 978-501-4749.
- I will let Mrs. O'Neill know via email if my child WON'T be at a rehearsal. This is very important so I don't have to spend time trying to figure out where your child might be and can adjust plans for the day as needed.
- I understand the commitments required for my child to participate including attendance at all mandatory rehearsals and performances as well as supporting the show in other ways as needed.

I will also need help with costumes, set building, painting, gathering props, creating props, chaperones and make up help at dress rehearsals and shows. Please list any you can help with in the space below!

Thanks!

**Keep this page**

The play is NOT a club! If an actor/actress misses 3 rehearsals without a valid reason (sick, dr. apt, family emergency) his/her part will be recast. The schedule and all important information will be posted on the Facebook page, [www.littletonmiddleschooldrama.com](http://www.littletonmiddleschooldrama.com) and in emails from myself and well as the LMS Weekend Update when needed. I will also be using Google Classroom frequently to keep in touch with students. Students will not have to be at every rehearsal. Specific characters will be listed on the schedule. Schedule subject to change due to weather or unforeseen circumstances. Please print out a copy and check each week. If changes are made, I will send out an email and there will be a post on Facebook as well.

Please make sure your child wants to be here. Commitment is very important in putting on a show!

Students must be respectful to all others in the cast and all involved with working on the show.

Reminder rehearsal days are Tuesday, and Thursday 3:05-4:30 unless otherwise posted. Please send drinks and snacks with your child for after school.

Rehearsals will sometimes be blocking scenes, helping create props and getting fitted for costumes, designing costumes or working on theater skills.

Students should bring a pencil and sticky notes to rehearsals to take notes in their scripts. The script for this show will be emailed to you when the cast list is posted. You can print it on your own or read it on your phone or computer. If you are unable to print out the script, please email me.

During tech week, which is the week of the show, rehearsals will be Monday with costumes from 3:05-6:00. Tuesday with costumes and make up from 3:05-6:00 and Thursday with costumes and make up from 3:05-6:00. These rehearsals CAN NOT be missed. Wednesday is dark night which means the cast should rest up. I will need extra parent help that week which will be on the sign up genius. (Don't plan anything on Wednesday in case we have an unforeseen circumstance and need Wednesday for rehearsal.) If you have an activity that runs during the times of these rehearsals, you will need to skip them. Please do not schedule appointments during tech week rehearsals. All students must attend unless they are sick. We need everyone to run through the shows during tech week.

Besides putting on a great show, my top priority is for all the kids to have fun! If your child is involved in a school sport that conflicts with the show, he/she will need to make a choice as to what makes them the happiest. Just like a practice for a team sport, it is important for your child to be there. If you don't practice you can't play. Same goes for a musical or play, you're not there to rehearse, you can't play your part successfully.

**Please check the rehearsal schedule to see if this works for you and your child. I will start rehearsals at 3:05 so kids can still get after school help or do clubs.**

**School comes first. We don't usually start until 3:05 so the students can get extra help from teachers after school. I will be at the school by 2:20 pm on rehearsal days to work on costumes, help kids with lines or answer questions they may have about the show. We will meet in the library each day.**
